## THE EQUILIBRIUM CLINIC

THE EQUILIBRIUM CLINIC is located in a tranquil rural setting on the edge of the village of Woodborough in the Pewsey Vale, Wiltshire providing the ideal setting for a relaxing massage or beauty treatment.

Opened by Lorraine Saunders DipLST, DipLHT, DipAPNT, VTCT, a registered sports/remedial massage therapist, in 2008, it provides a wide range of treatments and therapies which cover all aspects of beauty, health and wellbeing.

### About Our Range of Treatments

The Equilibrium Clinic offers a wide range of professional beauty treatments such as facials, waxing, manicures/pedicures, lash extensions, tinting, threading, spray tanning, to a choice from our pregnancy massage or Reflexology, Indian Head Massage, Hypo Ear Candling, Manual Lymphatic Drainage.

We use only the most professional of product ranges for the skin and as a member of the international institute (iiaa) for anti-ageing we work very closely with Environ Skin Care, Jane Iredale Mineral Cosmetic and advance nutrition programme.

### Hypnotherapy

Hypnotherapy is a means of communication aimed directly at guiding a persons imagination in a way that can help to elicit beneficial change. The changes under hypnosis can effect certain problems which have their origins in the mind and the changes can be in a persons perception, feelings, thoughts or behaviour.

Hypnotherapy involves using specific mental techniques to help individuals replace old thoughts and behaviours with new healthier alternatives, and What is hypnosis?

Hypnosis is an altered state of consciousness in which it is possible to communicate with the subconscious mind. It is similar to reading a good book and losing track of time or day-dreaming.

The Equilibrium Clinic  
Berry Farm, Woodborough, SN9 5JF

A hypnotist is simply a guide who will help you reach and utilise that state. Hypnotherapy may be found to be helpful for those seeking relief from a range of problems including, but not limited to...

- Anxiety, stress and panic attacks
- Confidence and self-esteem
- Smoking cessation
- Motivation and performance
- Pain control
- Unwanted habits or behaviours
- Weight management
